What are some of the benefits of receiving my bill electronically? ** GO GREEN **

By going green you are helping save the environment and it's convenient, saves time and allows you to receive bills anywhere at any time. Please contact NBCMA customer service team to enroll, 215-357-8515.

What are some of the benefits of paying a bill online?

Paying online with a credit/debit card or electronic check gives you the flexibility to pay how and when you want. It saves you the trouble from writing and mailing a check or driving by our office. In addition, for a faster payment experience, you may choose to store your information for future use.

Using the System

What if I can't locate my bill?

If your bill is not showing, please double check that the correct information was entered in the search criteria. For example, an exact match may be required. You can locate your account by: service address, phone number or account number (including the dash).

Do I have to enter an email address to make a payment?

Yes, an email address is required so the payment confirmation/receipt can be sent to your email inbox.

When I try to pay my bill, it asks for credit card information and I want to pay by electronic check.

Under "How would you like to pay" click on the drop-down box and choose EFT Check.

Will I receive a confirmation email that my bill has been paid?

Yes, you will receive a confirmation email.

Do I need to register to pay a bill?

No, registration is not required for ONE TIME PAYMENTS. However, by registering you'll be able to view prior history, set up automatic payments and store payment information.

I forgot my Password; how do I access my account?

Click on "*Forgotten Password?*" at the bottom of the login screen. You will need your account number and email address to retrieve your password. If you're unable to locate this information, you may call us and after verifying your identity, then we'll be able to assist.

Payments

What forms of payment can I use?

You can pay online with credit or debit card or you may issue an electronic check from your bank account (checking or savings). We accept Visa, MasterCard, Discover, American Express, Google Pay and Apple Pay. You can always pay via check at our office or through the mail.

What is a service or convenience fee?

A non-refundable \$1.25 fee is added by our InvoiceCloud to cover various administrative costs associated with billing and accepting your payment. This is only charged on one time payments and can be avoided via autopay.

NOTE: There is no fee for establishing MONTHLY REOCCURRING AutoPay for checking or savings accounts to pay your balance in full each billing cycle by the due date.

How will I know that my payment has been accepted?

After you submit your payment, you will see a payment confirmation screen. It will contain your payment confirmation message. It will show an approved number for credit cards or a processed number for electronic check. You will also receive an email confirmation after your transaction is submitted. The email will include your account number, invoice number, amount paid and confirmation message. If there is an issue with your electronic payment from the bank, you will receive an email informing you of the rejected payment.

Can I use more than one payment method per transaction?

Yes, you may use one payment method for part of the transaction and another payment method for other parts of the transaction.

How long does it take for online payments to process?

Credit card transactions are authorized immediately and typically take 48 hours to settle. ACH transactions typically take 48 – 72 hours to settle.

Can I tell if my payment has been posted?

Yes, simply login to your InvoiceCloud account and select “*View paid or closed invoices*”.

How long will my payment history be maintained?

Each month, your new billing statement will be added to your profile and will maintain a maximum of 24 retained monthly billing statements.

Will I be able to print a copy of my bill?

Yes, each invoice is presented in PDF and HTML format and can be printed. Electronic storage is recommended as it saves paper and has a beneficial impact on our environment.

How do I change my account information?

Simply log into your InvoiceCloud account to change your personal information under the My Profile tab. If you are unable to change some of your information, you may need to call us to change it for you at 215-357-8515.

Advanced Features

What is AutoPay?

AutoPay is a convenient option in which bills will be paid automatically each billing cycle on their due dates using your default credit card or bank account. This will avoid any late fees and free you from having to remember when to pay. Login to your account and click on AutoPay to enroll. A fee applies for any credit card payment.

NOTE: There is no fee for establishing MONTHLY REOCCURRING AutoPay for checking or savings to pay your balance in full each billing cycle by the due date.

WaterSmart Program: The authority pays for a WaterSmart application that is free to our residents and helps monitor water consumption, avoids costly leaks and gives real time alerts about usage.

Can I cancel AutoPay?

Yes, simply login to your InvoiceCloud account and click on AutoPay. Next select Edit, change the status to “No, I do not want AutoPay” and save. To modify, go into your profile and uncheck the AutoPay box that you had previously checked when you elected to opt in.

I’m signed up for AutoPay but do not see anything showing under “Upcoming Scheduled Payments.”

The AutoPay date will not appear on the home page under Upcoming Scheduled Payments. AutoPay will show on the Scheduled Payments page.

What are scheduled payments?

Scheduled payments are individual payments that are scheduled for a specific date prior to the bill due date. The date of a scheduled payment can be changed but requires our staff to make this change, we are working to make this a “self-service” item for the future.

What is the difference between AutoPay and a scheduled payment?

AutoPay is an automated process which pays your balance in full each billing cycle on the due date. Scheduled payments are manually entered by you for the date you choose.

If I sign up to Go Paperless, how will I receive my bills?

You will receive an email notification each time a new bill is ready for you to view and pay. Email notifications go to the email address used when you registered. A courtesy

email address may be added if you wish to send notifications to an additional email address.

Can I start receiving paper bills again?

Yes, simply login and click on Paperless. Then, select “No” and save your changes.

What is Pay by Text?

Pay by Text is a convenient way to pay your bill by text message. When signed up for Pay by Text, bill notifications will be sent by text message, in addition to email notifications. You will then have the option to pay via text message with your default payment method by simply replying. You may enroll in Pay by Text when making an online payment or by accessing your account and selecting the Pay by Text option. A confirmation will be sent to complete your enrollment.

What is Account Linking?

Account Linking means that you can link multiple accounts and view and pay all your open bills with a single transaction. When registering bills under the same email address, you are given the option to link the related accounts within the service. Payment receipts are sent individually. Editing account information such as changing an email or password will go across all linked accounts, however, changing settings such as AutoPay or paperless is only for the accessed account.

Security

Is my information secure?

Invoice Cloud uses the highest standards in Internet security. Account information displayed within the payment portal is truncated to protect confidential data. Any information retained is not shared with third parties.

Is my credit card and checking account information safe when I pay online?

Absolutely. Invoice Cloud will safely store your financial information using Payment Card Industry (PCI) Compliant systems. This includes truncating (abbreviating) account numbers so that even we do not see your complete account information.

What is PCI Compliance and why is it so important?

PCI stands for Payment Card Industry, and compliance with the industry standards is a requirement for those that accept the major credit cards and for software providers who have applications which involve the transmission and/or storage of credit card information.
